

Product: Ledway Street

Project Data.

the project include 17 Ledway Street luminaires feature 3 light bar each (60 LED). The fixtures are mounted onto ornamental poles (X1 serie) at 6 mt. height, 14 mt. interdistance and equipped with asymmetric road optic (Type PR).

Lighting Performances.

Luminance: 1,2 cd/m² average on the ground U₀=0.59 e U_l=0.65, S_r 0,96, T_i= 5,64.

The average illuminance level is 17 Lux, U_{med}= 0,78.

LEDWAY – UNCOMPROMISING BRILLANCE
